1. The Contributor grants to the Publisher an exclusive license to the Contribution, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Work and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so ("Rights"), for non-commercial purposes, and an exclusive license to exploit such Rights for commercial purposes. Such exclusive rights are subject to the rights granted to users under the terms of the Creative Commons Attribution Non-Commercial License.
2. The Author guarantees that the Contribution is original, has not been published previously, is not under consideration for publication elsewhere, and that any necessary permission to quote from another source has been obtained. (A copy of any such permission should be sent with this form.)
3. The Author declares that any person named as co-author of the Contribution is aware of the fact and has agreed to being so named.
4. The Author declares that, if the License to Publish form has been downloaded from the Publisher's website or sent by e-mail, the form has not been changed in any way without the knowledge of the Publisher.
5. Each Illustration must include a caption and an alternative text description to assist print impaired readers ('Alt Text').

To be signed by the Author, also on behalf of any co-authors.

**Retained Rights**

1. All proprietary rights described in the Work are retained by the Authors of the original contribution to the Work.
2. Authors are free to reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author's personal use, provided that the original source is cited, provided that the material is not offered for sale.
3. Work performed under a U.S. Government contract or grant has per definition royalty-free permission to reproduce all or portions of the Work, and to authorize others to do so.
4. Authors are permitted to re-use all or portions of the Work in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use.
